TEOH CHIANG HOE
Founder and Managing
Director of MONZONE Group

CARING SERVICES, OPTIMISING COST & SOLUTIONS FOR SUCCESS

“ Under the leadership of THERMO KING, we continue to provide innovative Cold Chain Transport Solutions, reliability, longer product life cycle & optimizing cost for our value customers ”

Founded in 1997, Monzone is one of the most trusted companies in the South-East Asia, specializing in Transport Refrigeration and Manufacturing of Insulation Containers. We are the Distributor of THERMO KING in Malaysia, Singapore, Philippines and Myanmar.

In this New Digital Era, Monzone Group continue to expand with the Cutting-Edge Technology from Thermo King, Tracking™, ConnectSuite™, Touchlog, WinTrak, and its' continuous R&D in Product Performance & Reliability Tests.

Monzone Group has successfully focus in optimizing the Cost & Efficiency in the Transport Cold-Chain Industry by manufacturing different Grades of Insulated Containers to cater for the different segment of the market.

This is made possible by coupling with Thermo King, the Global well-renowned Brand famous for its Performance & Reliability in The Transport Refrigeration System (GDP Compliant for Pharmaceutical Products).

Mr. Teoh's great Leadership skill has transform the workforce with a high Team Spirits and equipped the Sales Forces with Certification to handle Pharmaceutical products in the Cold Chain Industry as well as the annual Thermo King Specialist skill Certification. We also provide sustainable and cost effective Cold Chain Transport Solutions.

Our customer include the Perishable food, Beverage, Wine and seafood Distributor, the Cold Chain Logistics companies, In-flight catering and Pharmaceutical products.

OUR VISION

To be the most successful and respected Transport Refrigeration System and Insulated Container Manufacturer in South East Asia.

OUR MISSION

Every Cold-Chain Business will have a MONZONE-THERMO KING, your Strategic Business Partner that attract and attain you with High Value Products, Customized Solutions and Caring Services.

OUR QUALITY POLICY

We are all driven by a common commitment to serve the need of our customer better than anyone else, continuously improve on our level of product Quality and Services.

INNOVATION

OUR 5 CORE VALUES

INTEGRITY

IMPROVEMENT

CONTINUITY

QUALITY

In Working towards this direction, We will produce Operational Excellence across our company and go beyond our commitments to serve the needs of our customers and strategics partners

Guided by our firmed focus on the 5 Cores Values, We will continue to go all the way out to achieve our corporate Vision and Mission

MONZONE GROUP Core Structures

We are the manufacturer of the insulated container in the Cold Chain Transport Industry and the distributor of Thermo King refrigeration system in Singapore, Malaysia, and the Philippines.

A strong competence in our work force comprises the:-

**Sales & Marketing
Team**

**Process & QA/QC
Team**

**Engineering & Design
Team**

**After Sales Customer
Services Team**

**Maintenance / Repair
& Construction Team**

**Finance, Account &
HR Team**

HOW & WHY MONZONE GROUP

We provide our customer sustainable solutions to save operational cost and increase productivity in transport distributions

Optional choice of **High-tech Antibacterial Glass Reinforcement Panel (GRP)** that create a maximum hygiene sterile surface for transporting pharmaceutical/ medicinal and high value perishable products. We also provide a comprehensive range of material to serves the different needs of the customers especially on pricing.

Quality Assurance is our policy on the European construction standard as a basic Quality Control to ensure the insulation container's Durability & Reliability.

Our **Good Reputation** also lies with our caring in After-sales Training, warranty part claims, parts manual and our expertise are generously shared with our customers for a cohesive, supporting and lasting relationship.

A **Customized Solution** is always propose to optimize cost and improve efficiency in operation whereby reducing manpower and unproductive time.

PRODUCTS & INDUSTRIES

Uncovering the Robust Market in Transport Refrigeration, Monzone has grown from our core business in manufacturing insulation container to project development tendering government project, once again affirm our expertise and know how in supporting the industry.

TRANSPORT

- Refrigeration Truck
- Temperature Sensitive Product
- Perishable Goods
- 3rd Party Coldchain Logistic
- Ice-Cream Eutectic Plate Truck
- Self-Powered & Direct Drive System

- Airport High-Lift
- Ambul-Lift
- Trailer System

MEDICAL

- Mobile Dental Clinic
- Coldcube
- Mobile Chiller Dolly
- Wheel Chair Lifter
- Antibacterial Reinforced Glass Panel

BUSES & PROJECT

- Thermo King Rooftop Climate Control System
- Bus Integrated & Undermount System
- Thermoking Bus Electrical Aircond System
- Government Tender Projects
- Market & Product Development Project
- Innovative Cold-Chain Land Transport Solution

POWERED TAIL-LIFTS

- EL1-800
- EL1-1700
- EL1-2200
- RS1-2200
- Payload from 800kg to 2200kg
- Made In Italy
- Caroil Elefancar

Type Of Insulation Containers

GOLD GRADE

- It uses PU, Polyurethane insulation material end
- European material GRP with Woven Fabric Gelcoat, excellent UV/Weathering protection
- Powder Coated Aluminium Profile on all edges and corner (white colour)
- External Push-Up or Embedded Handle with key and lock (stainless steel type)

SILVER GRADE

- It uses XPS, Extruded Polystyrene insulation material
- It uses FRP, Fiber Reinforced Panel on its surface
- Power Coated Aluminum Profile on all Edges and corner (white color)
- External Push-Up or Embedded Handle with key and lock (stainless steel type)

BRONZE GRADE

- It uses XPS, Extruded Polystyrene insulation material
- It uses FRP, Fiber Reinforced Panel on its surface
- Natural Aluminum Profile (original aluminum color)
- External Container lock handle (no lock and key)

Optional:

High Impact Glass Reinforced Panel (GRP), combines the strengths of several constructions material, metals, thermoplastics and duopolistic

- High impact strength at low weight
- Superior tensile and flexural strength and e-moduli
- Excellent UV and weathering stability
- No splintering caused by over stress

It is also use in all our Internal Movable Partition construction for tough usage

Antibacterial Glass Reinforced Panel (GRP)

The state-of-the Art German Technology that uses Nano-Silver ions to kill bacterial that falls onto the surface within 24 hours (12hours 90% killed)

It comes with Antimicrobial Certificate (TÜV SÜD PSB & Germany)

Fire Resistance Certificate, Long term Durability Certificate & Dossier Antiviral Efficacy of Nano-Silver

Special Waterproof Adhesive with 2k PU Based provide good bonding Properties, made in Germany

Antibacterial Curtain

- 1 roll of 50m, 200/300mm width with Reinforcement Rib
- Anti Black mold development that safe costs in washing and replacement
- Certificate provided

OUR TESTIMONY

"Good services and fast action when technical problem occurred. Very less problem."

NURLINDA BINTI ABD RAHMAN,
Finance Manager
MESRA INDAH JAYA SDN BHD

"Quality product with Excellent Performance. Strong and Reliable Sales & After-Sales team."

SAIKAIRAN,
SKTS ENTERPRISE (M) SDN BHD

"We are very satisfied with Monzone who can provide fast respond 24/7 After-Sales Service in northern and southern point.

Strongly trusted, sincere service attitude and responsible."

THEN SOOK VONE,
Manager
GOLD COLD TRANSPORT SDN BHD

"I am using Monzone Thermo King SV 600 for my Cold Truck, it has performing well and long lastly. Thermo King will still my first choice when purchased cold truck.

Monzone has a great support team on the service & after-sales. Good Job Team!"

Managing Director
AFG LOGISTICS SDN BHD

"Since the start of use and have provided good support to our business in Changi. Their products are of high quality, excellent performance and innovation with good After-Sales service.

With their effort of continuous improvement, MONZONE can provide high quality airport equipment with less repair and maintenance costs."

MARCUS CHONG,
Head of Technical Services
DNATA SINGAPORE PTE LTD

"One thing I like about the Salesperson is that they are prompt in after sales support service, very knowledgeable in their fields, and provide sustainable solutions for our Cold Chain Transport Operation.

Monzone Team has always outstanding themselves through continuous innovation and very creative in their proposal for our Cold Chain Transport Requirements."

LYNRON,
Logistic Manager
UNICO TOTAL SOLUTION PTE LTD

"The mid-night (24/7) support is ready for any emergency requirement.

There is 4 workshops to support during any requirement. Located at Shah Alam, Prai, Johore Bahru and Singapore.

The Singapore was in touch with our business because our trucks was operating crossing the Malaysia-Singapore causeway."

LEONG CHUN HUN,
Service Centre Dept. - Senior Manager
GERIMIS BAIDURI SDN BHD

"Monzone is very professional in providing maintenance and servicing support to our fleet of Refrigeration Trucks. We can concentrate our business with a piece of mine working with Monzone. Try them to believe yourself.

Monzone Quick Response in the After-Sales Services, such as servicing, maintenance and minor repair job has always fulfill our need and requirements remarkably."

MARK TAN,
AVP
SFI MANUFACTURING PTE LTD

"I have been using Thermo King for 90% of my trucks and Monzone Air-Conditioning Sdn Bhd (Thermo King Dealer) to purchase & service my truck for the past 8 years and have always been completely satisfied with their performance.

They do an excellent job, are always punctual and offer the most competitive in town."

Manager
TEH CHEETA TRANSPORT (M) SDN BHD

"Monzone is really a specialist in Refrigeration Transport. They provide us very durable insulation container and the Superior Temperature Performance Thermo King System that solve all our problem in serving especially very strict end customers.

Their container and curtain come with Antibacterial property and the Thermo King System is equipped with GDP Certificates for Pharmaceutical and Medicinal Products. We feel very safe and happy to work with Monzone."

ERIC LIM,
Logistic Manager
A&J HAKKO PTE LTD

"Monzone has been our great and favorable refrigeration system and container supply partner for over a decade and both of our individual businesses have grown together as Monzone offer excellent product to Tiong Nam and Tiong Nam offer excellent cold-chain logistics service to our customers.

Due to fact that Monzone doesn't compromise in his Products Quality and Maintenances Service, all our refrigerated trucks and trailers equipped with Monzone's refrigeration system and containers have a very long lifespan and low maintenance cost."
